

TELME C155: the simple mobile phone with camera

The TELME C155 offers great ergonomics, ease of use and top price - for everybody who loves simple technology, clear operating functions and a solid finish. The TELME C155 also has an easy-to-use camera and an SOS button.

With a standby time of up to 350 hours and talk time of up to 330 minutes, the TELME C155 is a reliable companion at home and on the road. It weighs only 95 grams and has the convenient size of 120 x 59 x 12.3 mm. With the built-in flashlight and FM radio function, the TELME C155 makes an entertaining companion. The built-in camera ensures that you can capture your favorite moments with your loved ones quickly and easily. The SOS button that is embedded into the keypad provides additional security.

The phone comes with a desktop charger that offers a save place for the phone at home and makes sure that it is always ready to use - according to the TELME philosophy: brilliantly simple. Simply brilliant.
